COCO, WHERE ARE YOU?

COCO, WHERE ARE YOU?

Cinta Arribas

I'm looking for my dog Coco. I lost him in the park, while we were going for a walk. Coco is neither long nor boring, neither pink nor naughty, neither small nor cowardly... Can you help me to look for him?

Sallybooks arises as a publisher specialised in comic and children's and young picture books.

We give a first professional opportunity to undiscovered writers and emerging draftsmen and draftswomen, not only within the national scene but also the international one. Our main target is to create quality books and encourage the reading among children.

Although we are a young publisher, our collection is growing year after year, covering a range of public from zero to eleven years. We bet on freshness and innovation, offering narratives adapted to the children's cognitive development. In the same way we also develop a range of books pointed to autism children.

If you wish to publish any of our works in your country or in another language, please contact us by sending an email to the following email address: info@sallybooks.es and we will reply as soon as possible.

Thank you very much for your interest.
