

WICCA. THE FOREST DAUGHTERS

+18

Antonio Sachs & Pablo M. Collar

A secret pact between witches is underway. The natural balance between the different territories of power of the British country is in a serious danger. Suspicions come from Wales that Shae, the infamous sorceress who betrayed and murdered her coven centuries ago, plans to return to her old ways. However, Amelia, a fearless Oxford witch, and her London sisters are unwilling to allow it. Peace is not an option.
